DFAS reminds customers to update pay account status

The Defense Accounting and Finance Service (DFAS) reminds all military retirees and annuitants to review their retirement or annuitant pay account status to ensure all information is up-to-date.

DFAS relies on current personal information to provide the highest level of customer service. Officials emphasize that it's imperative that retirees notify the agency as soon as possible about any change in marital or family status, beneficiaries, mailing address and bank account information.

This ensures that the individual's retirement pay is processed correctly and on time. If beneficiary information needs to be updated, customers can access the new Designation of Beneficiary form online at

<http://www.dod.mil/dfas/retiredpay/beneficiarycard.html>.

Changes to much of a retiree's pay account can be made via [myPay](https://myPay.dfas.mil) <https://myPay.dfas.mil> or by calling the Retired/Annuitant Pay Customer Service Center at 1-800-321-1080. Retirees may also send an e-mail via myPay or by regular mail to:

The Prez Sez

The President's Column

LTC Jesse Craddock (Ret.)

Monday night football must mean that fall has arrived. The Board took a summer break and will resume with the regular September meeting.

The Board presented Major General William Wade, California Adjutant General, and newly-promoted Air Guard Brigadier General Mary Kight, formerly of the 144th FIW and presently serving as the Assistant Adjutant General, with a 50th Anniversary Commemorative coin.

Ken Moore and I participated in the Wing Family Day activities. The event provided an opportunity to recruit new Wing members and sell Dondi's Mercantile Shop items. We featured the 50-year Commemorative Coin.

The Board announced the availability of two \$1,000 2006 Scholarship awards for Wing members and dependents. The amount was increased and the number of scholarships reduced to reflect today's educational costs.

SMSgt Howard Gibson passed away May 18, after a long illness. SMSgt Bob Singleton's wife Dorothy passed away August 8. The Newsletter contains an article on them.

Twenty-four members have not submitted 2006 dues payments. If you have not received a 2006 membership packet you might want to check your desk and see if there is a second dues notice buried under all the paper. We've forgone listing the names in the Newsletter, but would appreciate receiving the dues since the funds support the Association Newsletter and Scholarship Program.

The Wing is in the final preparation stages for the December drill weekend ORI Phase 2. The flying phase inspection will be conducted at Moffett.

The annual 2007 Old-timers lunch date is being obtained and probably will be the third or fourth week of March. The December Newsletter will contain event details.

Enjoy the fall colors and be safe!!!

DD-214 Available Online

The National Personnel Records Center (NPRC) has provided the following website for veterans to gain access to their DD-214 online: <http://vetrecs.archives.gov/>. This may be particularly helpful when a veteran needs a copy of the DD-214 for employment purposes. NPRC is working to make it easier for veterans with computers and internet access to obtain copies of documents from their military files. Military veterans and the next of kin of deceased former military members may now use a new online military personnel records system to request documents. Other individuals with a need for documents must still complete the Standard Form 180, which can be downloaded from the online website. Because the requestor will be asked to supply all information essential for NPRC to process the request, delays that normally occur when NPRC has to ask veterans for additional information will be minimized. The new web-based application was designed to provide better service on these requests by eliminating the record center's mailroom processing time.

Tuition Assistance (TA) Program Overview

Armed Forces Tuition Assistance (TA) is a benefit paid to eligible members of the Army, Navy, Marines, Air Force, and Coast Guard. Congress has given each service the ability to pay up to 100% for the tuition expenses of its members.

Each service has its own criteria for eligibility, obligated service, application process, and restrictions. This money is usually paid directly to the institution by the individual services.

Additionally active duty members may elect to use the MGIB "top-up" in addition to their service provided TA to cover high cost courses. TA is not a loan; it should be viewed as money you have earned just like your base pay.

Follow the link for your particular service and start taking advantage of this GOLDEN opportunity:
